5. Young Volunteer of the Year U25

The winner of this award will be recognised for their outstanding contribution to the community. They will demonstrate personal maturity and a particular enthusiasm and dedication to their sport/activity, together with a commitment to club development. If they are in education they will have made an outstanding contribution to Leadership and will have worked in school or community environment. (Age 25 or under on 30th September 2017)

6. Lifetime Services to Sport & Physical Activity

The winner of this award will be recognised for their outstanding continued services to sport/activity over a minimum 20 year period. They will demonstrate a commitment to volunteering and will have a particular enthusiasm and dedication to their sport/activity. They will also have widened opportunities for participation in sport/activity. Please also list any evidence of projects they have worked on.

ORGANISATION AWARDS

7. Club of the Year

The winner of this award will excel in the delivery of an overall sporting experience within a club environment. The club will have evidence of social and community development, together with a commitment to club/volunteer development and increasing adult participation. The club will have created links with schools and be open to the whole community.

8. Active Workplace of the Year

The successful workplace will be able to demonstrate how they have 'gone the extra mile' to support their workforce to become more active by giving them opportunities pre, during and post work. The winner will also be registered with the counties Healthy Workplace Award and will be able to demonstrate evidence of achieving this or working towards this award.

9. CAPH T2M Primary School of the Year

This award celebrates primary schools delivering excellent practice in PE and School Sport. The school must be affiliated to CAPH and the activity delivered in 2016/17 academic year. The activity should contribute towards achieving one or more of the Time 2 Move ambitions. To nominate please click:

10. Community Participation Award

This award is aimed at any organisation (community club, leisure/community centre, governing body, fitness professional, charity or workplace) that has delivered a project to get more people into sport and physical activity. The winner will be able to demonstrate how they have marketed their project, engaged with the target audience and sustained them into community sport and physical activity. Examples of why the project was successful and numbers engaged with would support the nomination.

11. Social Impact in the Community

The social value of sport and physical activity can be any way that sport and physical activity can be used in order to help an individual or group of individuals improve their physical or mental health, their individual development or helping people from disadvantaged communities steer clear from anti-social behaviour and as a way of fostering social cohesion and community development. This award is looking for specific case studies in which a club/organisation or initiative has made a measurable social impact on specific individuals and/or groups in their local community.
